Note: Due to the size or complexity of this submission, the author has submitted it as a .zip file to shorten your download time. After downloading it, you will need a program like Winzip to decompress it.

Virus note: All files are scanned once-a-day by SourceCodester.com for viruses, but new viruses come out every day, so no prevention program can catch 100% of them.

FOR YOUR OWN SAFETY, PLEASE:

1. Re-scan downloaded files using your personal virus checker before using it.
2. NEVER, EVER run compiled files (.exe's, .ocx's, .dll's etc.)--only run source code.

Hello there, Restaurant management plays a major role to bring the business at its Pick. My recommendation while choosing restaurant software is to go through the features they are offering. Want to read about features, with comparion than go to <https://www.softwaresuggest.com/restaurant-bar-software>
